THE PASTOR'S APP

*Pocket-sized tool for God-sized ministry.*

Your pastoral care ministry won't take care of itself. Give your pastors and pastoral staff the tools they need at the tips of their fingers.

Problem to Solve:	Realm Shepherd Solution:
Pastors and pastoral staff need quick access to information on individuals and families within their congregation.	Realm Shepherd provides pastors and pastoral staff with a simple search directory so they can access congregant information anywhere at any time.
Pastors and pastoral staff need a holistic view of the individual and their family.	Realm Shepherd provides pastors and pastoral staff the ability to view each individual in the family as well as their journey with your church.
Pastors need access to private notes.	With Realm Shepherd, pastors can create, view, and edit secure private notes.

*"The Shepherd mobile app is great for our pastors. They're able to pull up the congregants' names and see and share notes with one another. It's really good for them if they need to communicate with each other. It's right in their hands all the time."*

- Danielle Welch, Centerpoint Fellowship Church

*"It functions well as a directory app. Being able to quickly look up a person, a phone number, or an address is my favorite part of the app."*

- John McLeod, Sovereign Grace Church

## Realm Shepherd Advantages:

- Built specifically for the needs of your church's pastors and pastoral staff
- Linked directly to your church's Realm site so you have the most up-to-date information
- Login information for Realm Shepherd is the same as your login for Realm - no need to remember multiple usernames and passwords

## Pastors Can:

- Access profiles for everyone in your Realm database even when they're away from the church
- Create new notes on profiles that can only be seen by other pastors or pastoral staff
- View family connections and associations so they always know how others are related
- Access congregant involvement including group participation, discipleship tracks, and sacramental information
- Communicate with anyone in the church via email, text, phone call, or in-app messages
